Welcome:

Kal Tire K1 Western Canadian Championships at Banff Mount Norquay

The Banff Alpine Racers are very pleased to be welcoming all selected athletes in Western Canada to Banff Mount Norquay to compete in the Kal Tire K1 Western Canadian Championship February 20th – 22nd, 2010.

With a busy season ahead we wanted to provide you with some background on what you can expect when you visit Banff and Banff Mount Norquay for this year's Kal Tire K1 Western Canadian Championships. The Banff Alpine Racers (BAR), your host for this year's event has been training and competing in the Banff area for over thirty years and much of our success at every level is because of the support and access we have to train at Banff Mount Norquay.

The ski hill has long been one of our greatest supporters and this year is no different. They have provided us access to a new race run for this year's Kal Tire K1 Western Canadian Championships. The run is called Imp and is located off the Mystic Chair. IMP will be closed to the public for four days starting Feb 19, 2010 so that we can prepare the piste for training and race competition. We will provide access to IMP for training as of Friday morning only. Saturday, Sunday and Monday we will host the SL, KK and GS races on Imp and training space will be provided on Allusion.

With the support of Kal Tire our K1 Western Canadian Championship Sponsor and Banff Lodging Company our Alberta K1 Sponsor we are able to provide a number of additional hospitality events for competitors, coaches and families attending the Kal Tire K1 Western Canadian Championships. We are providing an awards banquet for all of the athletes on Sunday night and with the support of Kal Tire we will be hosting a reception for all parents, coaches and volunteers that are accompanying their athletes to the event. We look forward to meeting you all at the reception and banquet.

Like you, we have experienced the challenges of planning for athletes, coaches and family's accommodation and meal when we are attending races away from our home territory. To support your efforts Banff Lodging Company has put together a series of accommodation packages, some with meal plans and some without to make the coordination of your teams stay in Banff easier.

True Service.

Hotel accommodation, meals and access to wax rooms shall all be provided through Banff Lodging Company. We also plan to provide a series of waxing clinics at the Hotels so that you and your athletes are well prepared to compete on the weekend.

With the support of sponsors, a great ski hill and your BAR team of volunteers we look forward to hosting you at Banff and Banff Mount Norquay. If you have any questions or concerns please feel free to write or call me directly.

M. Damien Mills
